KATE WHITE

## *No Name Is Higher    Freedom Reigns*

Michael Bahn (ASCAP Sprig Music), Kate White (ASCAP Curly Willow Music), James Younger (BMI)

As we glimpse how great You are  
You breathe new life into our hearts  
We come awake, we come alive in You  
Remove the limits that we place  
Our hesitation falls away  
We come awake, we come alive in You

We remember all You've done

No name is higher, Jesus, our desire  
Our hearts they burn for You  
No one is greater than You, our Savior  
Jesus, we burn for You

Rising up we will declare  
Your faithful love is always there  
We are awake, we are alive in You  
Undivided in our praise  
To You alone, the One who saves  
We are awake, we are alive in You

We follow You  
We follow You  
Your love that leads the way

Kate White (ASCAP Curly Willow Music) Peter McMurray (ASCAP), Ian Vidovic (BMI)

We give you praise You give us life  
We're not alone You never leave our side  
We lay it down, You raise us up  
We shout your Name because Your glory shines

Freedom reigns in my heart and soul  
Freedom saved me and now I know that  
You're the reason that I can sing  
Freedom reigns in me, You reign in me

We give our lives, You shape our dreams  
We trust You more than when we first believed  
We pour it out, You fill us up  
We shout Your Name because Your glory shines

And all our hope is in You now  
And all our hope is in You now  
All our hope is in you now  
And we shout Your Name  
And we shout Your Name  
And we shout Your Name  
And we shout Your Name

Jesus reigns in my heart and soul  
Jesus saved me and now I know that  
You're the reason that I can sing  
Jesus reigns in me

## *You Hold It All*

Kate White (ASCAP Curly Willow Music), Caryn Hart (ASCAP),  
Rebecca Loomis (BMI)

I come, with longing Lord, I come  
I come, I can't pretend, I come

You see everything, there is nothing hidden  
You see everything, there is nothing hidden

Take me, forgive me, remind me  
You hold it all, Jesus  
Take me, release me, beyond me  
You hold it all, You hold it all

You come, to wipe my tears, You come  
You come, like refreshing rain, You come

In Your presence there is healing  
In Your mercy You restore  
In the waiting strength is building  
You are Lord

In Your presence there is healing  
In Your mercy You restore  
In the waiting strength is building  
Hope is rising, hope is rising  
You are Lord

## *Before Our King*

Michael Bahn (ASCAP Sprig Music), Kate White (ASCAP Curly  
Willow Music), James Younger (BMI)

We will not rush to leave  
The presence of our King  
Cause with you Lord is where we want to be  
In reverence and in awe  
We're lifting up our hearts  
Cause with you Lord is where we want to be

Break the veil between Heaven and Earth  
We collide with your presence and worth  
Lord rush in as we fall to the ground  
Facedown before our King  
Facedown before our King

We will not rush to leave  
The presence of our King  
Cause where You are is where we want to be  
Your glory fills this place  
As we lift up Your praise  
Cause where You are is where we want to be

May Your Kingdom come  
May Your will be done  
May Your Kingdom come  
May Your will be done in us

## Home

Mark Bejan (BMI) Michael Hughes Watson (ASCAP),  
Kate White (ASCAP Curly Willow Music)

All who thirst may come  
All who long for a home  
Enter My rest, I'll give you rest

Walls that kept you apart  
Now rebuilt in My arms  
Come and receive, I'll give you peace  
Come and receive, I'll give you peace

Nations will rage, mountains will quake  
I will not be moved  
Don't be afraid, I'll keep you safe  
Let My love cover you

All who enter My gates  
Find their refuge and strength  
Come and receive, I'll give you peace  
Come and receive, I'll give you peace

Peace for the restless, Home for the broken  
Building My Kingdom, My house will stand

## So Much More

Brandon Bee (BMI) and Kate White (ASCAP Curly Willow Music)

Come purify my thoughts and make them holy  
All on my own my heart could turn to stone  
Teach me Your ways, expand my understanding  
For all I know in You there's so much more

So I'll live my life the way You taught me  
Defined by grace  
and the blood that washed me  
As royalty you took scars to save my soul  
I won't go back cause the sun is rising  
My hell-bound nature no longer binds me  
You've won the war the battle for my soul  
But better still, with You there's so much more

Come purify my heart and take my secrets  
Where shame is bound  
and truth defeats the dark  
Erase the lines I seem to draw between us  
Oh face to face I know there's so much more

In You there's so much more  
Take me deeper, take, take me deeper

Lord let Your Spirit fall  
Here when Your name is called  
Yes we believe  
We're set free when You come

Where You lead we will follow  
Where You move we will go  
When You speak we will listen  
Holy Spirit come, Holy Spirit come

Lord let Your Spirit lead  
Waiting for You to speak  
We step aside  
Fix our eyes on You alone

Tune our hearts to Your presence Lord  
Let our words be Yours

## Took Our Place

Aaron Olsen (ASCAP), Kate White (ASCAP Curly Willow  
Publishing), Mark Bejan (BMI)

The Great And Mighty King  
Is among us  
Our Savior and our Friend  
Suffered on the cross

Jesus took our place  
Those nails were meant for us  
Jesus took our place  
Those nails were meant for us

Hallelujah  
Praise be on our lips Lord  
Praise be on our hearts, Lord  
Hallelujah

Holy, Perfect Love  
Is among us  
Power was displayed  
Humbly on the cross

## Rise Up

*Kate White (ASCAP Curly Willow Music)*

There is no rest, but in the arms of Jesus  
No safer place I'd rather be  
Than soaring high on the wings of the Father  
Far above life's bitter sting

Though we wrestle with the burden  
Walking through the fiery flames  
May we dance upon the embers  
And in faith, rise up in praise

Angels wings flutter in the twilight  
Shielding me from so much more  
As I rise to the hope of the morning  
Fear subsides as He draws near

The climb is steep, the rocks are jagged  
The way is perilous and hard  
Should I fall Jesus' arms will catch me  
And hold me to His bleeding heart

## Jesus, You're the Only One

*Mark Bejan (BMI), Michael Bahn (ASCAP Sprig Music), Brian Engle (ASCAP), Kate White (ASCAP Curly Willow Music)*

I stand in your presence  
Overwhelmed by who You are  
What You hold in just one Hand  
Is everything I know

I'm here in the waiting  
Reaching out to You alone  
I long to be with You in heaven  
Jesus You're my home

As I sing for You and hold onto Your love  
It's bigger than the fear that comes  
As I hear Your voice, only You can still my heart  
Jesus You're the only one

Greater than I can imagine  
Greater than I can imagine  
You are greater than I can imagine  
You are greater than I can imagine

# *Amazing Grace* *(My Chains Are Gone)*

Chris Tomlin, John Newton, Louie Giglio  
©2006 sixsteps Music, Vamos Publishing, worshiptogether.com songs

Amazing grace  
How sweet the sound  
That saved a wretch like me  
I once was lost, but now I'm found  
Was blind, but now I see

'Twas grace that taught my heart to fear  
And grace my fears relieved  
How precious did that grace appear  
The hour I first believed

My chains are gone, I've been set free  
My God, my Savior has ransomed me  
And like a flood His mercy reigns  
Unending love, amazing grace

The Lord has promised good to me  
His word my hope secures  
He will my shield and portion be  
As long as life endures

The earth shall soon dissolve like snow  
The sun forbear to shine  
But God, who called me here below  
Will be forever mine  
Will be forever mine  
You are forever mine

## *About Rise Up*

The songs on this record truly reflect a sense of gratitude and celebration rising up out of the ashes. I look back on my life journey and I can't believe all God has done! The past few years I have searched the heart of God to understand where true joy comes from in the midst of the struggle. I was humbled and blessed to learn as I studied the scriptures that joy is a byproduct of our faithfulness. May we rise up and be faithful to the end, even when we encounter hardship and darkness overwhelms us. May the light of Jesus shine through us and lead us home.

## *Special Thanks*

To my Lord, Jesus, for calling my name and never giving up on me! For your passionate kindness and unceasing grace. For leading me moment by moment, breath by breath. For bringing the steadiness of life and the promise of hope. To Responding Records for believing in me, to Brian Engle for your great leadership on this project and for Aaron Olsen. I cannot say enough about your creative genius and vision for this album! It's been an honor. To all the players and co-writers that helped make this record a reality. To Shawna and Ben Borman for their amazing photography and design! To my praying husband, Jeff, who lifted up every fiber of this process and supports me wholeheartedly!
